Live Web Training Event:

“Coronavirus Facts”

Date:

Tuesday, March 24, 2020
1:00 PM – 2:00 PM Eastern
12:00 PM – 1:00 PM Central

Please [Register here](#) for this webinar

In an effort to provide the most updated information, the Center for Child Welfare is working closely with Dr. Anna T. Armstrong, PhD, MPH, CPH, MCHES. Dr. Armstrong is an assistant professor, within the College of Public Health at the University of South Florida with a discipline in health education and promotion. She will answer questions regarding the Coronavirus such as the overall health education on prevention, recommended steps for working with children on appropriate preventive and sick role behaviors, dispelling current myths, and identifying the best resources to obtain accurate updates and information. This webinar will also specifically address questions & answers from caregivers and frontline staff working in the child welfare system.

We are asking that should you have any questions please email them to centersupport@usf.edu between now and the start of the training.

** NOTE: Event Password: Center2020

AUDIO: will be provided through your computer speakers
